THE LIVING WORD – Activating your Bible

This is the procedure for quickening your new Bible into the Living Word, such that the Bible itself speaks and explains itself to you, as you read:

Get a 'brand new' Bible. Place it on a clean, white handkerchief.

Recite Psalm 24 (x 21).

Ask the Holy Ghost to sanctify the book, and quicken all the words written in the book, such that they can become alive and speak, as you read.

Pray that anytime you open the book to read, let your understanding be opened to understand all the scriptures.

Pray that anytime you open the book to read, let the pure river of the water of Life begin to flow into your spirit: to purify you, edify you, comfort you, equip you and settle you.

Pray that anytime you open the book to read, let there be open Heavens over your life, household, destiny, etc.

Pray that anytime you open the book to read, let the supernatural be open unto you to see and to hear clearly, through visions and dreams and trance.

Pray that anytime you open the book to read, let all the portals and channels of divine revelation be unlocked for your sake, to flow into your spirit, like the rivers of living water.

Pray that anytime you open the book to read, let the Word bring transfiguration in your spiritman and elevate you to higher dimensions of GOD.
